Lynn Delgado & Chris Alley**

The Highlands Chamber of Commerce and Visitor Center sponsors events to provide networking opportunities for chamber members as well as to encourage tourism to the Highlands area.

The Event Committee will be responsible for coordinating these events as well as oversee other events sponsored by the Highlands Chamber of Commerce.

The current events to be coordinated by the Event Committee are as follows:

February: Cajun Cook-Off

April/May: Spring Fling

Fall Finale: November

Saturday Fresh Market and Friday Night Live

The Highlands Culinary Weekend is also a chamber event; however, this event has its own chairperson and will only be overseen by the Event Committee.
